SHOPPING IN ST. ALBERT

The St. Albert Chamber of Commerce is strongly promoting closer co-operation between all our local merchants. The Chamber also has set up a "Shop in St. Albert" campaign. They have issued an appeal to our citizens, as you will find elsewhere in this issue. Our Chamber of Commerce has to be thanked for their initiative, which not only will be a great help for all St. Albert merchants, but also, we hope, will result in real Christmas shopping by our citizens in their own town. The more economically healthy our local businessmen, the better for all of us. The St. Albert businessmen have to offer such a great variety of articles for the coming busy Christmas shopping season, that a look at their stores will convince you that our local merchants are really progressive. Therefore, let us give our fellow citizen-merchants a fair chance these coming weeks to show us that they are as businesslike, as competitive, as any other store in the district. Our merchants are eager to serve you. We, for ourselves, found out that the prices in our town are really good, even in many cases, lower. We all should follow the Chamber's slogan "Do your Christmas shopping in St. Albert".

Family Recreation Interest Survey

The Committee who organized the Recreation Survey has presented the results to our Town Council. This Committee, consisting of the following members, have done a fine job: Mr. Wm. A. Perrase, Chairman, Mrs. W. Ryhs, Secretary, Mr. E. Martyna and Mr. D. Barry, Public Relations, Mr. J. Weness and Mr. A. Bradley, Mechanics, Mr. R. Ford, Mr. G. Walker Personnel, and Mr. L. Wood, Advisor. The Council will now study the results and we hope that at a later date, a positive reaction will follow. Elsewhere in this issue you will find the totals of the different recreation groups which will give you an idea how the feelings are

continued on page 3

TEACHER'S SALARIES

Recently there was a meeting between the Alberta Teachers Association and the Provincial Conciliation Board to prepare a recommendation regarding the teachers salaries. This recommendation will be presented to the teachers and the Protestant Separate School Board. The Alberta Teachers Association will not issue a further statement until this is done.

ACCIDENT ON HIGHWAY 2

Last Thursday night, a car accident on Highway #2 sent three St. Albert citizens to the Royal Alexander Hospital. Mr. S. Olberg is still in critical condition in hospital, but Mr. J. Adams, although in hospital, is improving, and Mr. Gregorie is out of hospital and doing well.

A CHRISTMAS SUGGESTION

Gifts from the kitchen are always acceptable "From Our House to Your House" at Christmas time. What could be nicer than an attractively packaged or decorated jar of home-made marmalade? Here is a simple recipe for three fruit "Amber" marmalade which is both very easy and very good.

1 Grapefruit

1 Orange

1 Lemon

10 cups of granulated sugar

10 cups of boiling water.

Extract juice from fruit. Put skins through a food chopper. Pour juice and the boiling water over the ground skins and let stand covered over night. Next day bring fruit and water to the boil and simmer until tender. Add sugar and boil to the "jelly" stage, about 220 on your candy thermometer. Pour into hot clean jars and seal when partly cooled with melted paraffin wax. Makes about six 16 oz. jars.

Do you like that suggestion? Here's another. Does the thought of writing all those Christmas letters make you weary in advance? Why not write just one and let us mimeograph it for you, on attractively decorated paper, ready to enclose with all your cards. Phone M. E. Usher at 599-6216.

St. Albert Family Recreation Interest Survey

Editorial continued from page 2

in our town regarding this big survey. We plan to analyse, with comment, this report at another date because it really needs some study and thought. The survey covered the whole town, 894 forms were completed, involving over 3,400 persons from 6 years and over. This survey gives a reliable idea in which kind of recreational fields our citizens are interested. We are curious to know if our citizens are willing to pay for their recreational interests. This is at the moment, the main question which undoubtedly will be brought forward by our Council as the cardinal point before any definite plan can be made. An overwhelming majority voted in favour of swimming. Are our taxpayers willing to pay for such a healthy sport?

COUNCIL MEETING, NOVEMBER 26
COURT OF REVISION

Mr. Russell, Assessor for the Department of Municipal Affairs, attended, to preside over a Court of Revision. Two cases were heard.

Mr. J. R. Gilman of St. Albert Trail brought notice to the court that his assessment was incorrect and rated too high. Although Mr. Gilman was not present, the corrected, lowered rate was set. Mr. R. S. Olynk, of #1 Sturgeon Road, appealed for a reduction of taxes on 45.05 feet of frontage property. The land was expropriated by the Department of Highways in 1960. The court granted a 1.30¢ per foot reduction, collectable for the 1961 and 1962 tax years.

NEW VENTURE

Mr. Keith Everitt, M.L.A., met with Council to discuss the organization of a committee which would meet with Mr. Everitt, to discuss any legislation directly concerned with St. Albert and having received its first reading. Since Council meets twice a week, in regular meetings and Technical Advisory Committee meetings Mr. Everitt agreed to appear before Council and present any bills.

This is a new venture in Alberta. Mr. Everitt plans either to correspond with, or appear directly before, all Councils in this County.

MRS. LEO NICKERSON RECEIVES BRONZE CROSS FOR LATE HUSBAND

Mrs. Leo Nickerson left on Sunday for Ottawa, where Governor General Vanier will present her with the Boy Scouts' Bronze Cross for her husband who was drowned last year at Lake Wabamun. Mr. Nickerson, who was a Cub Master with the 2nd St. Albert Cub Pack, was in swimming at the Grey Goose Camp with the boys of his troop when a sudden storm arose. The high wind blew up large waves which swept several of the boys off their feet.

Mr. Nickerson rescued Herbie Allen, then went to rescue the other three, Peter Ralphs, Ron Gilley and Christopher Rowe, who were in deeper water. He reached the boys and was bringing them in to shore when the large waves carried all four under, and they were drowned. The Bronze Cross, which was announced on the birthday of the late Lord Baden-Powell, February 22, is awarded for gallantry with special heroism.

***** Heavy Storm *****

The 80 mph. wind on Saturday night blew over many trees in our town. One of them in the garden of the Fox-Forand, St. Michael Str., crashed down, just missing these two parked cars.

EDUCATION AS A WHOLE

THE HIGH SCHOOL STUDENT

by WILLIAM SOPROVICH

Principal St. Albert High School

"Education is not something done 'to' but something done 'by' an individual which is actually self-educational. It is a slow, subtle growth entailing a life-time of self-discipline and an unquenchable passion to learn and to grow up to the full stature of one's abilities. The outcome should be competent, self-active, responsible, and socially minded citizens whose lives are predicted on faith, courage, integrity, intelligence and the will to achieve."

E. Earl Williams

Bulletin - National Association
of Secondary School Principals.

I would like to thank the St. Albert Gazette for this opportunity to write an article dealing with education in general and specifically with High School. Enjoying the prerogative of being the writer of this article, I propose to write firstly about, "What you can do for your student and the High School" rather than "What can the High School do for you" and then I will attempt to co-ordinate both descriptions.

According to recent studies made by the Department of Education, between 40% and 50% of the students entering Alberta High Schools complete Grade 12 with a High School Diploma. Alberta has one of the highest "holding-powers" of all the Canadian provinces, however, this also means that about 1 out of 2 students entering High School do not obtain a Diploma. In a demanding technological society of the present day, this represents a loss of a tremendous amount of our greatest resource. As implied in the quotation above, education is done by an individual and is not something done to an individual. If this is agreed with at least in part, then the following points will be important in the preparation of a student for his or her education.

(1) The student's success in High School is at least partially determined by his desire for learning while in the Elementary and Junior High School. This is a week-to-week, year-to-year process until the individual has developed into a young man or woman ready to continue his or her education.

(2) Early development of interests is helpful and relates to the point above.

(3) The student needs to develop an ability to plan - i.e. that there is a time for play and a time for work, or a time for recreation and a time for study. This idea induces a study schedule and good study habits.

(4) Lastly, the student today must overcome many more distractions than you or I had to overcome when we were in High School. The student must have developed the self-discipline to be able to work on a Mathematics problem which must be handed in the next day rather than watch "77 Sunset Strip". It will be much easier for the student if early in his life he has developed a desire to learn and some of the discipline required for learning.

The St. Albert High School has a staff composed of eight teachers, three of whom are also teaching Home Economics, Shop and Physical Education in the Junior High School. The Staff is able to provide a program of 170 different High School credits. The programs offered in the High School are in the Senior Matriculation and the General Diploma patterns.

(All students who successfully obtain 100 credits of which about 40 are constants obtain a Diploma. Senior Matriculation refers to a choice of subjects enabling University entrance. A General Diploma may refer to choice of subjects in the Business Education or Vocational field.) In order to define the two programs, I will suggest two possible programs a student may obtain in the High School.

To obtain a High School Diploma, a student must obtain at least 100 credits of which at least 40 credits must be in prescribed constants such as English and Social Studies. (Constants are compulsory courses required of all High School Students.) One credit corresponds roughly to a minimum of 40 minutes of instruction time per week. A course such as Language 10 is valued at five (5) credits which means the student will have approximately 200 minutes of instruction time per week. The remaining courses are electives which are chosen in consultation with staff members, according to the vocational desires and previous marks of the student.

(a) Credits and Prerequisite Requirements.

(1) In order to obtain credits in a subject a student must obtain at least a "C" standing in the subject.

(2) A "C" standing or better will allow a student to register in the second or third year course of a constant.

(3) A "B" standing or better is necessary for a student to take the second or third year course of an elective. i.e. A "B" or better in Science 10 will allow registration in Science 20.

(b) Examples of Two High School Programs.

I University Matriculation

This program will allow a student to enter most Faculties at the University.

Constants

(1) Social Studies	10 - 20 - 30	15 credits
(2) Language	10 - 20 - 30	15 credits
(3) Literature	10 - 20	6 credits
(4) Physical Education	10	3 credits

Electives

(1)	Mathematics	10 - 20 - 30	15 credits
(2)	Science	10 - 20	10 credits
(3)	Chem. & Physics	30	10 credits
(4)	French	10 - 20 - 30	15 credits
(5)	Literature 21		
	Typing 10	Language 21	11 credits

This is a total of 100 credits. A year's study consists of from 30 - 40 credits in the first 2 years of High School. In addition, an average of at least 60% with no course less than 50% must be obtained in the Grade 12 Departmental Examinations.

II General Diploma Program

This program will allow students to enter most fields at the Provincial School of Technology. (Many courses at the Provincial School may be entered with less than a High School Diploma.)

Constants

As in program above — equivalent to 39 credits.

Electives

(1)	Mathematics	10 - 20 - 30	15 credits
(2)	Science	10 - 20	10 credits
(3)	Chemistry	30	5 credits
(4)	Woodwork	10 - 21	8 credits
(5)	Typewriting	10 - 20	9 credits
(6)	Physical Education	10 etc.	14 credits

The registration of the new High School student in correct courses according to any implied vocational desire is important. In view of this, the student is registered in consultation with a staff member after explanation of High School courses is given to the student. The factors considered in registration are his Grade 9 results, Cumulative Record Card and student preference.

It may be of interest to note, that a student with a specific goal in view is better prepared in planning an adequate program that will fill his needs.

If a student has at least a complete "B" standing in Grade 9, he or she may be allowed to register in any Grade 10 courses. Any "C" standing which the student obtains will place a limit on his choice of Grade 10 courses. Because of the importance of this registration, the St. Albert High School registers the students before the official opening of school. This enables us to spend more time with the student at this important stage. This year, we will have early registrations to which the Grade 10 students' parents will be invited as well as the student.

Although there are many other aspects of a High School, I have placed more emphasis on the portion which I felt is most often misunderstood. However, the Students' Union and Sports' Council as a portion of High School should be mentioned in this article. To the student, this group forms an important part of High School. The program of extra-curricular activities can make worthwhile contributions to the attainment of many objectives of a High School. Some of the objectives are responsibility, leadership and development of suitable recreational activities. The activities are controlled by the Students' Union in co-operation with Staff representation. Only through practice in responsible leadership will the student have an opportunity to become a responsible citizen. I will only mention Vocational Guidance, University Lectures for our students and the Textbook Rental Plan.

In review then, a student, to be successful, must have developed through the years a desire for learning and a sense of self-discipline. He or she must have learned that education is not something done "to" but something done "by" an individual. This requires a lot of work and good-will from the student, the parent, and the school. At the end of this period of time, we should hope that we will have a person who not only has learned and earned a Diploma, but who also has realized that his or her education has only begun and will continue for the remainder of life.

Dear Editor,

RE: The Leo Nickerson Memorial Fund

The trip of Mrs. Leo Nickerson to Ottawa to receive an award from the Governor-General has raised a number of questions from newcomers in St. Albert. The Leo Nickerson Fund committee would like to answer these.

Mr. Leo Nickerson was a Cub Master in St. Albert prior to his death in July, 1961 by drowning in an heroic effort to save the lives of three cubs who had failed to reach the safety of the shore during a storm at Lake Wabamun. Mr. Nickerson was survived by his wife, two daughters and three sons.

In recognition of Mr. Nickerson's contributions to the life of the community during his life, and in the example set for all by his death, a number of people established the Memorial Fund which bears his name. This fund is maintained by voluntary contributions. Some people have assisted by arranging through the Bank of Montreal to have \$1.00, or in some cases, more, placed in the fund each month. Others have made periodic contributions and, in a small number of cases, organisations have assisted through both these ways. These funds are administered by a committee of three, the Bank of Montreal (St. Albert) manager, the minister of St. Albert United Church, and one named by Mrs. Nickerson. The result has been that the Nickerson family, through this fund and the award from the Carnegie Foundation, has been able to carry on without resorting to government assistance. Perhaps even more significant however, is the fact that in the example of life and death set for St. Albert by Mr. Nickerson, there has been called forth a recognition of responsibility in many persons. If you are among these, you are urged to continue your part in maintaining the fund, if you are not, you are urged to become so by making inquiry through the Bank of Montreal manager, the United Church minister, or Mr. Austin Bradley.

E. R. Schwars,
Minister, St. Albert
United Church.

Dear Sir,

Our thanks to the Gazette for what is probably the fastest want-ad service in history.

On Monday, I telephoned the Gazette to place a Hunter Want Ad for our boxer puppy which had eluded us on Sunday. As I gave the dog's description I was informed that she had been right there at the Gazette office a few minutes earlier. I went over immediately, found the dog, and had her safely back home within fifteen minutes.

We would also like to say a word of thanks to Mrs. Williams at the town pound. We had called there to see if our dog had been picked up. Later in the day, Mrs. Williams called back to say the dog had been seen by a town employee near Vital Grandin School. We consider this exceptional service and appreciate it greatly.

The Medland Family.

GALA EVENT AT INDIAN SCHOOL

Saturday was open house at the Edmonton Indian Residential School, a familiar landmark in the St. Albert area. Joining with the staff of the School, the United Church Women of the St. Albert United Church held their annual Bazaar and Tea at the School, donating the entire proceeds of the tea and sale to the School to be used for items for the welfare and comfort of the students residing there, many of whom come from interior and coastal British Columbia. About three hundred attended the affair, including interested men and women from a great many

Edmonton churches, as well as a large representation from St. Albert. Receiving the guests were Mrs. R. G. Cook, President of the Edmonton Presbyterian of the U.C.W. and Mrs. D. J. McBride, whose husband is Principal of the School. Presiding at the tea table were Mrs. J. F. Woodsworth, whose late husband was first principal of the Indian Residential School; Mrs. F. L. Akins, Past President of the St. Albert U.C.W. and Mrs. H. Usher, founding president of the then Women's Association of the St. Albert United Church; Mrs. G. H. Villett, whose

husband was the founding pastor of the Church; Mrs. A. B. Dryburgh, President of Kirk United U.C.W.; Mrs. F. Scoffield, Program Convenor of the Presbyterian U.C.W.; Mrs. B. H. Hadlow, executive member of the Presbyterian U.C.W., and Mrs. English, President of St. Paul's U.C.W. All around the auditorium were long tables piled high with home baking, Christmas cakes, mince meat, candles, stuffed toys, sewing and other bazaar items from the St. Albert U.C.W. These were staffed by members of the Grandin Park, Sturgeon Heights and Brackside units. Mrs. D. G. Richardson of the Mission Park unit convened the kitchen, assisted by members of the School C.G.I.T. group. Other members of the C.G.I.T. and Hi-C members from both St. Albert United Church and the School, assisted Mrs. G. L. Anderson of the U.C.W. and Mrs. Martin of the School Staff, in serving the many guests. Mrs. Hugh Campbell, leader of the Residential School C.G.I.T. group and her girls had a table of candy and Indian crafts sent from the girls' home areas in British Columbia. Mrs. N. Kelly and her C.G.I.T. group from the Church held a fishpond and a white elephant table. Members of the Hi-C sold United Church Christmas calendars. The response to the event far exceeded the expectations of the ladies responsible and they would like to express their grateful thanks to all those who participated.

THEATRE FOR CHILDREN

Members of the Junior League of Edmonton will be in St. Albert this Friday to sell tickets for the next two productions of Theatre for Children. Alice in Wonderland will be presented next month, and sometime in March they will present Tree of Dreams and Let There be Light, Indian legends.

Tickets will be on sale at the Sir George Simpson School and Sir Alexander Mackenzie School and Safeway. They are 50¢ for children, \$1.50 for adults. This includes both productions. There are tickets available for the following Saturday mornings at 10:00 a.m.: December 15, January 5, 12 and 19, and also the following Fridays: January 11 and 18th, at 7:30 p.m. It will be at Victoria Composite School. Please choose an alternate date in case your first choice is sold out.

LIGHTS BY CHRISTMAS?

The Town of St. Albert has been informed by the Calgary Power Ltd. that materials for the installation of the additional street lighting were to arrive by November 15th. If it arrived on time, the installation should take from four to six weeks to complete all of the lights. Maybe our citizens in the dimmer parts of town will soon be able to see at night.

CIVIL DEFENCE

A Civil Defence orientation course is being planned for St. Albert for the evenings of December 5, 6 and 7 (Wed., Thurs., Fri.) at 8 p.m. each night. Persons interested in helping with a Civil Defence program for St. Albert or in learning more about Civil Defence problems of today will find that many of their questions will be answered by the speakers at this course. Please phone John Bauman, your local C.D. Director, at 599-6276 for the place of the meeting.

ST. ALBERT BRIDGE CLUB

Sunday night saw 32 persons sit down to a thoroughly good evening of bridge in the Community Hall. We wish to welcome several newcomers and hope to see them back with us next week.

Lessons started at 7 o'clock and much was learned by the 12 students. Anyone interested in taking lessons, we would be only too pleased to see them come out to the Community Hall on Sunday evenings at 7 p.m.

Plans were made for our Christmas party which is to be held December 16th. We hope to make this a very successful evening and something just a little special.

The Town of St. Albert

REGISTRATION OF DOGS

Metallic Dog Checks may now be obtained from the Office of the Secretary-Treasurer, in the Town Hall, St. Albert, for the Registration of Dogs during the year 1963.

Every person who is, within the limits of the Town of St. Albert, the owner of a dog over the age of six months, shall procure such dog to be registered as from the 1st Day of January, 1963.

Registration Fees are as follows:-

Dog or Spayed Bitch	\$2.00
Bitch not Spayed	\$5.00

Approved by By-law No. 6/58.

S. L. Billings,

Secretary-Treasurer.

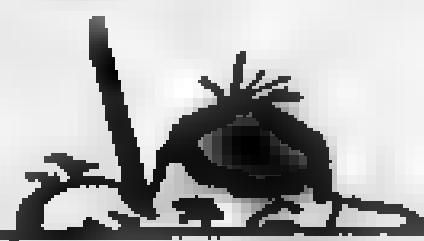

Excellent prizes will be given to members only who come up with top scores and possibly some hidden scores.

All those on the Executive are asked to attend a meeting next Sunday evening at 7:30 p.m.

Why don't you come out next Sunday at 8 p.m. and join your friends and neighbors in a thoroughly good game of bridge and a very enjoyable evening. The charge is only 50¢ for members, 75¢ for non-members. Membership Fee is 1.00.

This week's winners were:

North South	average 42	
Mr. & Mrs. Batchelor	61 pt.	72.62%
East West	average 42	
Mr. & Mrs. Hill	56 pt.	66.67%

From Our Readers

Dear Editor,

I would like to take this opportunity to thank all those who in any way, contributed to the success of "Papa is All". I'm sure everyone who saw the production

will join me in applauding Joy Wakefield for her part in the costuming of the cast, and Al Henry for his delightful program design.

Laurels must also go to Rod McDonald and Gerhart Shaffer for their tireless assistance.

The publicity crew would like to extend their thanks to the people who attended "Papa is All" for the response to their labours, for an audience is the most important ingredient for a successful production. The local Safeway has earned a vote of thanks for their assistance to the publicity crew.

On behalf of the cast and crew, I would like to thank Frank Glenfield for his excellent direction and endless patience he has shared with St. Albert on Sturgeon Players his vast knowledge of the theatre, something for which we are extremely grateful.

One final curtain call for everyone who gave so generously of their time and talents. St. Albert on Sturgeon Players thank you, one and all.

Jeanne Irwin, Secretary
St. Albert on Sturgeon
Players.

MR. and MRS. HENRY BOKENFOHR CELEBRATE SILVER WEDDING ANNIVERSARY

Mr. & Mrs. Henry Bokenfohr were honored on November 17 by their children, to celebrate their silver wedding anniversary. The immediate relatives gathered at the Seven Seas for supper. There they were presented with flowers.

Later in the evening, a surprise party was held at the home of Mr. & Mrs. Eric Bokenfohr. Many close relatives and friends gathered to celebrate the occasion.

Seated at the head table with Mr. & Mrs. Bokenfohr were their attendants of 25 years ago: Mrs. Anne McIlmoyle and Mr.

Milt Joachim. The table was laid with a lace cloth, centered with a two layer wedding cake, flanked on each side with white candles. A bouquet of pink carnations and white baby mums completed the head table.

Mr. & Mrs. Bokenfohr were presented with a lovely silver engraved tray by their children, and from all present, a lovely petit point picture.

For the occasion, Mrs. Bokenfohr wore a brown brocade dress, gold accessories and a talisman rose corsage.

Lunch concluded the memorable occasion.

Y.M.C.A. REGISTRATIONS CLOSE

Reluctantly, the committee in charge of the new YMCA "outpost" in St. Albert, have had to call a halt to the flood of registrations from boys and girls an-

xious to take advantage of the YMCA gymnastic training and swimming being made available. Until such time as an additional swimming period can be arranged at the Edmonton Central "Y", neither transportation nor swimming pool accommodat-

ion can handle any more boys or girls. A waiting list will be kept. Arrangements have been made whereby boys nine years and up swim on Saturday evening while all the girls and the eight year old boys swim on Monday evening. An exception is made to keep families together so that the younger boys who have big brothers swimming on Saturday may go with them. A 72 passenger bus takes the boys in on Saturdays, but the Committee is asking for volunteers who will bring cars to the Sir George Simpson School for 5:40 p.m. each Saturday to take the "overflow". Anyone who can help in this way, please telephone Dr. Cuts at 599-6101. If enough volunteer, each will have to make only one trip a month. Volunteers would also be appreciated to assist at the School for the boys class at 9:00 and the girls class at 10:30 am Saturday mornings, to assist with clerical work, roll calls and washroom supervision. Other volunteer supervisors are needed to accompany the boys and girls each week, both to attend to roll calls at the bus each way and for pool and locker room supervision. A man and a woman are needed for the latter task on Monday evenings.

Additional members have been added to the temporary management committee, which now consists of Acting Chairman, Dr. W. D. Cuts; related Y.M.C.A. Secretary, Clark Ready; Mr. George Walker and Mr. Chris Gates, who with Dr. Cuts formed the original committee from the Community League to set up the Y.M.C.A. services here; Mr. Armand Donais, a member of the Public School Board; Mr. Steve Sieben, principal of the Mission Park Divisional School; Mr. George Willie, President of the Sir Alexander Mackenzie Home and School Association and a prominent Lion; Mr. Frank Campbell, Chairman of the Air Cadet Committee; Mrs. C. Ryley and Mrs. R. Usher, members at large.

The committee plans an information forum for its members early in December, to learn more about the complete YMCA program which it is their duty to make available to citizens of St. Albert and district as soon as possible. The committee will hold office until such time as a properly constituted membership meeting can be called at which election of officers or committee members can be held.

In the meantime, a call, volunteering your services, will be welcomed by any member of the committee.

"PAPA IS ALL"

"PAPA IS ALL" GREAT SUCCESS

The St. Albert on Sturgeon Players report that attendance more than doubled at the Sir George Simpson School to see Papa is All. They hope everyone enjoyed the show and also hope to see them all again at the next production, which will be sometime in the spring.

NEW BROWN OWL FOR 3RD ST. ALBERT BROWNIES

On November the 5th, the Third St. Albert Brownie Pack welcomed Mrs. Henry Genereux as their new Brown Owl. Miss Edna Perrault will now be Tawny Owl along with Deanna Godden.

Mary Beth Holmes and Claudette Carignan received their Golden Hands and flew up to Guides on November 12th. Second year service stars were received by three Brownies.

Debbie Pudlowski, Tannis Perrott, Cecil Moulin, Joanne Koach and Pamela Cote were enrolled on November 17th by Mrs. Genereux and Deanna Godden.

Brown Owl and Tawny Owl were pleased to welcome the mothers and fathers who were present to see their daughters become Brownies.

CHILDREN CONCERT

A very delightful concert was sponsored by the St. Albert Music Society on Sunday November 25, at the Community Hall. The audience was entertained by the beautiful voices of 70 children in a varied programme of songs.

Mrs. Kennedy was congratulated for her work with the children of St. Albert, and presented with a beautiful bouquet of flowers by Mr. Jerry Wenness, who takes an active part in the work of the Music Society. He made a very interesting remark in regard to Christmas. He said that when parents give their children toys, and candies etc, they are gone and forgotten in a few days. However, a musical instrument with a musical education is never wasted. It will remain with them as a companion for the rest of their lives.

As a variety in the programme, Gary and Shirley Gallant played several numbers on the accordion as a duet. Gary and Shirley are students of Alf Brunner and members of the St. Albert Accordion Band. The Community League will sponsor the Children's Annual Christmas Concert at the Community Hall, where the Orioles will sing Christmas Carols. Last year this concert was attended by more than 1,000 people. It is wonderful to know that such a great interest is taken in the cultural development of our future generation.
